

Small Fry Summer Day Camp

This camp is perfect for children ages 3-5 who have never ridden a horse before, and for current Legacy Saddlebreds Small Fry riders. Campers will learn the basics of Saddle Seat Riding, how to work around the horses safely, do fun horsey crafts, and make new friends! Family members are invited to come watch their campers ride the last day of camp to see what all they have learned. We also have a Summer Fun Show scheduled for Saturday, August 24th, and campers are invited to participate! There is very limited availability for this camp, so register early to secure your spot!
